

Giulio Banterla

Software Development Manager & Software Architect

Cavaion Veronese (VR), Italy · giulio.banterla [at] gbss.info

PROFESSIONAL SUMMARY

Software Development Manager and Software Architect with over 25 years of experience in enterprise software development. I lead development teams and coordinate external suppliers, with a strong technical background across the Java and .NET ecosystems, web architectures and data platforms. My experience spans sectors from digital archiving to AI for procurement, alongside a long track record in technical training and teaching.
